## FOREWORD

*Military Manpower Statistics (MMS) is a monthly publication prepared by the Washington Headquarters Services, Directorate for Information Operations and Reports (WHS/DIOR) of the Office of the Secretary of Defense.*

The MMS report presents audited statistical data pertaining to military personnel on active duty for the current fiscal year on a monthly basis. The March, June, September, and December issues contain quarterly summaries of certain military manpower data as annotated in the Table of Contents. Although these tables are revised quarterly, they are published without changes in two subsequent monthly editions of this publication. The publication is generated from a computerized data base developed and maintained by the Manpower Management Information Division of WHS/DIOR.

The report is approved for public release at cost: distribution unlimited. However, all requests for this publication and DoD-wide data contained therein should be referred to WHS/DIOR or cognizant offices in the Office of the Secretary of Defense. Requests for additional copies should be addressed to the Director for Information Operations and Reports, WHS, Room 1C535, The Pentagon, Washington, DC 20301. (When ordering please cite publication number M03.)

*\*NOTE: Excluded from all total DoD strength figures for Fiscal Year 1984 are approximately 49,000 full-time military personnel who are paid from other than active duty military personnel appropriations. This group is funded from appropriations for reserve components and Corps of Engineers civil functions.*
